Tibon's Goju Ryu Annual IN HOUSE KARATE TOURNAMENT A Huge Success!

Thank you to all who volunteered to help with Tibon's Goju Ryu Annual IN HOUSE Organization Karate Tournament at San Joaquin Delta College Blanchard Gym.

We also had a can food drive and were successful in raising 20 cases of various can foods and 15 frozen turkey's and Hams for the various families that have been recommended to us by our friends and dojo parents.

We had over 300 athletes compete from our dojos, and for the second time we had 11 other dojo's that participated of different disciplines, which they absolutely loved our IN HOUSE tournament. Many Sensei's said they learned a lot and received some great ideas for their own schools.

Our GymStars parents really had a great time especially those whose children competed for the first time. We look forward to everybody participating next year in 2011. We already have some great ideas for next year to help us run our IN HOUSE Tournament faster and smoother than this year. Thank you again!

DOJO REMINDERS

Please make sure you pick up your child on time.

- All tuition payments are due by the 10th of each month – NO EXCEPTIONS. A late charge of \$15.00 will apply; a return check charge of \$20.00 will apply.
- Sensei Oshiro continues to give Kobudo instruction here at the Dojo. Students should take advantage of being taught by one of the foremost weapons instructors in the world. Only \$25 per class plus you must provide your own weapons.
- Per the Goju Ryu Uchiage Kai rules, there will no longer be any rank skipping, unless you pay for each level of the test. This may seem rather harsh, but traditional training makes the student wait at least six month between each level to properly be prepared for the test. This is based on two days per week program.
- The Brown Belt Kyu tests are one year apart, and 100 assisted classes minimum are due before each promotion. A requirement of 300 assisted classes by the brown belt must be logged before allowing testing for Black Belt candidate. Also have to be registered with Goju Ryu Uchiage Kai membership three years consecutive before allowed to test.
- Private lessons MUST be prepaid, or they will be canceled. We are sorry to announce this, but lately we have had an abundance of no-shows, or last minute cancellations. There are no refunds on these types of issues.
- We still have had complaints about people parking in the street waiting to pick up their children. Please pull into a parking place, circle the block, or park in the rear of the school so this does not create an unsafe condition while picking up your child. Thank you!
- Please see Yvonne about any make-up classes you need to schedule. She is always happy to help you! Please Note: Four classes equal one half month which is \$70. Any classes over four is equal to a full month or \$80.
- All Dojo Information see www.tibonkarate.com

Tibon's Goju Ryu is very proud of this award and hopes to win it each and every year. Parents and students with your vote you can be counted to help us achieve our goal to develop a great organization this year! We hope you pass on the word and refer our program to your friends and family members looking to be a part of one of the only Traditional Japanese Okinawa Karate and Kobudo Martial Arts Program in the Central Valley.

We teach Goju Ryu Style of Karate, which has the largest influence from China than any other Karate Style in Japan. **Goju Ryu has the best of both Martial Arts Traditions of Japan and China. It is known as a "Hard Soft Style" "Hard" refers to liner or straight, and "Soft" refers to circular, yielding, redirection" It is said to defeat a "hard style" you have to use "Soft" but to defeat "soft style" you have to use "Hard" We teach the best of both traditions!**

We are also one of the only Weapons Programs that teaches the Traditional Classical Okinawa Kobudo of the Yamani Ryu System under Shihan Toshihiro Oshiro known as one of the greatest Weapons Masters in the World.

We have been located at our Main Dojo Address for the past 29 years, which shows our continuity and our longevity.

We have had 5 stories written on Sensei Gene Tibon in "**Masters Magazine**", the **#1 Rated Martial Arts Magazine in the United States** on Sensei Gene Tibon's life, and his contribution and development of the USA Grassroots Karate Program and Karate Camps, which he hosted the first ever in history at the US Olympic Training Center in Colorado Springs in 2008 & 2009. Then the largest in history at the University of the Pacific in 2010 and 2011.

Our Goal is to bring excellence in the art of Karate and Kobudo to the Central Valley and influence this side of the World with our way of Karate!

We look forward to 2011 as being our finest year yet!

Friendly Reminder: Attention Parents and Students!
Monthly Tuition Increase Jan 2011
Please See New Brochures!

Please note, to assist our students and their families during difficult economic times; Tibon's Goju Ryu has not raised tuitions for the past three years. Unfortunately we now find we must raise our monthly tuition, because of our rising operating costs.

Effective January 1, 2011, an increase of an additional \$5.00 per month, per student will be assessed. This nominal increase is less than .65 cents per class, and represents only a small portion of the increases we are experiencing.

It is our expressed wish; these new tuition fees will not present a hardship to anyone, and please realize we always try very hard to give the best value in instruction and investment, for all of our students training in traditional karate and Kobudo.

A quick survey of our local competitors, assures us we are offering quality instruction at a more modest rate, for up to twice the amount of real class-time instruction. Further, we feel we have a proven record of being a karate school that strives for excellence in developing our students to reach a national and international level of development. This is confirmed by our ability to place athletes on the U.S. National Karate Team every year.

We hope you understand the necessity to raise tuitions, to compensate for higher costs in doing business and in order to keep our programs at the high level of technical quality that you have come to expect.

If you are interested in pre-paying your tuition, a discount program is in place, please ask myself, or Mrs. Tibon for more information.

Thank you for your continued business, support and cooperation.

Sincerely, Sensei Gene & Yvonne Tibon
