Sensei Gene Tibon Teaching Kata Suparimpei Seminar
8th & 9th Degree Black Belt Kata
Main Dojo Saturday December 22, 2013
Time 11am-1:00pm
Cost \$50 per person
Must be Brown Belt and Above to Be Qualified to attend Seminar.

Suparimpei ("108 Hands") is derived from $36 \times 3 =$ Eye, ear, nose, tongue, body, and spirit; times color, voice, taste, smell, touch, justice equals 36 Times 3, which represents Past, Present, and Future.

***108 have a special significance in Buddhism. It is believed that man has 108 evil passions, and so in Buddhist temples on December 31st, at the stroke of midnight, a bell is rung 108 times to drive away those spirits. Another name for this kata is Pichurin. Originally in China there were three variations of Suparinpei, the Dai, Chu, Sho variations. The kata practiced today is the sho variation. Suparinpei is the most difficult kata in Goju Ryu. Higaonna Kanryo Sensei taught this kata to Miyagi Chojun Sensei as his second kata, after Miyagi Sensei had mastered Sanchin kata. The fact that he taught him Suparinpei so soon is any indication of the faith Higaonna Sensei held for Miyagi Sensei's ability. Miyagi Sensei then took this kata, and through many years of detailed research arduous and training honed and developed his ability until his performance of the kata could be said to be truly a demonstration of pure art.

All Students Ranks are Welcome for this End of the Year
Christmas Gathering**

Leadership training is exactly that, it teaches our student to become role models, leaders, positive examples, assistants to the Instructors, develops confidence, taking initiative, customer service understanding, team work relationships with leadership instructor team, and how to take initiative towards addressing an issue, or developing a creative idea in making you into somebody who can work with and teach anyone.

Our Leadership program teaches our students about business and corporate understanding. This class will affect them in school, work, clubs, organizations, along with development of their interpersonal skill development.

Once every two months we have a Leadership meeting for two hours, this particular gathering is more a celebration of finalizing 2013 and all of its developments, and going into a new great positive 2014 with great goals and accomplishments planned by Sensei Gene Tibon.

This end of the year gathering is a potluck style gathering done this year with the Central Valley Karate Boosters club at the Podesto Teen Impact Center on El Dorado St. All Leadership and students of Tibon's Goju Ryu Organization are asked to bring a food dish for the celebration and have a great time together with our annual Central Valley Karate Boosters Talent show with our Tibon's Goju Ryu organization students.

We welcome the new Green Belts 3 strips, whose next level is Brown Belt to our Leadership Program.

Any questions please call Sensei Gene Tibon at the main dojo at (209) 465-0943.
